TO WHOM IT MAY CONCERN

This letter serves to certify that **Mr Victor Nkuna** whose ID no: **960113 5886 089** was a bona-fide learner at our school from January 2010 to December 2014.

Victor was one of the best learners academically who inspired other learners that hard-work pays. He was very dedicated, motivated, loyal, trustworthy and self-disciplined person who ensured that his goals are realised and achievable. His performance earned him a remarkable reputation to the extent that he is not easily forgotten in the history of learners who took the flag of the school up at all times.

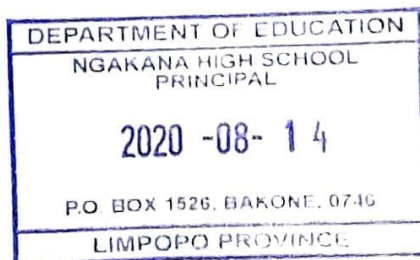

Furthermore, he was involved in various extra and co-curricular activities showcasing his potential in various fields beside the classroom.

I have no doubt that he would be one of renowned persons in future should he granted opportunity to in any form to rebuild his ambitions in studies. We humbly request your financial assistance for him so that he could be able to further his studies.

Looking forward for your sincere positive response in this regard.

Yours faithfully
